### **Terms and Conditions**

Please read as these are important for our community to thrive well.

I hope you all feel welcome and able to contact us should you have any queries; we will try to accommodate/help as best we can.

1. **Payments/bookings:** payment is made at time of booking. Any bookings made over the phone will need to be paid via the confirmation email which contains the invoice and must be paid within 7 days of making the booking to secure your space.
2. **Payment Options:** Unless otherwise agreed in writing and in advance, all payments must be made via BACS payment or the website.
3. **Allocations of tables:** Allocation of space at the venue is at the sole discretion of the organiser. As there is limited space, we will aim to create a balanced selection of goods to sell so that we are not filling the hall with too many of one type. If you are not happy with the space that you are allocated, please speak up before the day as I cannot rearrange table spaces on the day.
4. **Table sharing:** Table sharing is only permitted by prior agreement and at my discretion and not permitted when booking a double table space.
5. **The use of electrical items:** All electrical items must be PAT tested and display the date of testing, if your item is not displaying a valid date, we will ask you to remove it. It is your responsibility to supply yourself with an extension lead if you need one as I can't guarantee you will be right next to a plug socket.
6. **Cancellation:** Cancellation: You must give plenty of notice if you no longer require your table so that we can allocate it to the next available maker. If you cancel your space with 6 weeks or more notice of the market date you will receive a full refund, anyone cancelling within 6 weeks and no less than 14 days of the market date, will not be eligible for a refund but can transfer the date.
7. **Refunds:** Unfortunately, we only issue refunds if you cancel with 6 weeks or more notice of your market date any cancellations under 6 weeks but not less than 14 days prior to the market will not be refunded but can be transferred to the next available date. This is because all costs must be covered and if we cannot re-allocate your table, it must still be covered in the cost. (If you can find someone else to cover you before you cancel, it is the organisers discretion to accept them as a substitute) Anyone cancelling within 14 days of the market will not be eligible for a refund or date swap regardless of any reason
